OBJECTIVE:
GRAPHIC DESIGN

To become a part of a growing, innovative company where I can utilize my skills designing creative products that make a difference in promoting the success of that company.

EXPERIENCE:

Dolphin Graphics

GRAPHIC DESIGNER - 9/96 - PRESENT

I have designed more than 20 album covers, flyers, and promotional art. I use Adobe Photoshop and Illustrator daily in my work. I am also proficient in many Mac applications including, but not limited to: Image Ready, Dreamweaver, Flash, Bryce, Extensis Suitcase Font Manager, Kai's Power Goo, Final Cut Pro, & Fetch. I have created my own web page to advertise my work as a DJ: www.DaveDolphin.com. I am Proficient in high-resolution scanning, printing, and text management. I have experience with Eye Candy and other Photoshop plug-ins.

R.S.V.P

GRAPHIC DESIGNER - 4/03 - 11/04

I designed box covers for DVD and VHS: Flatbed & Chrome Scanning, color correction, image prep, layout and Box design.

Dolphin Music

MUSIC PRODUCTION - 8/81 - PRESENT

I own and operate a Full Digital recording studio. I use Digital Performer, Pro Tools, Peak, Adaptec Toast/Jam, and Sound Edit 16 software. I do everything from sound design and editing to sampling, remixing, composition, music for video, engineering, live sound, and production.

Distinct Vibrations

NIGHTCLUB AND MOBILE DISC JOCKEY - 8/81 - PRESENT

In have worked in numerous nightclubs all over Los Angeles and elsewhere as a Disc Jockey, Video Jockey & Editor, & Lighting Technician. In these clubs, I have mastered the use of highly technical video, lighting and sound equipment. I own and operate a Mobile Disc Jockey Service.
